SRCP Membership Application 2019

Code of Ethics

- a) Abide by the Associations Rules and work to help to achieve the aims and objectives of the Specialised Restoration & Cleaning Professionals.
- b) Strive constantly to improve the image of the industry and to promote the Association in the interest of the industry and the community.
- c) Maintain a high standard of technical performance as required by the Association through the provision of adequate equipment, training and qualified personnel.
- d) Recognise and respect the rights of our clients and provide courteous and prompt handling of all service requests.
- e) Recognise and respect the rights of our professional competitors in a free competitive market system.
- f) Conform with all aspects of legislation relevant to our industry including Trade Practices, Consumer Protection, Environment Protection, Consumer & Occupational Health & Safety and Industry Employment Awards.
- g) Provide adequate safeguards for clients, employees and the general public by ways of Public Liability Insurance and Workers Compensation Insurance.
- h) Ensure that advertising and representation of service and products are honest, researched, factual and not misleading to the consumer, and that it is in the interests of the industry and the community.
- i) Adhere to the rules outlined in the Social Medial Guidelines of the Specialised Restoration & Cleaning Professionals.
